

# Your One-stop Solution for Composite & Coating Resins

Consistent

Reliable

High-performance

CREST SPECIALITY RESINS PRIVATE LIMITED

3 decades of experience in providing innovative resin solutions

Largest Specialty Polyester & Vinyl Ester Resin Manufacturer in India

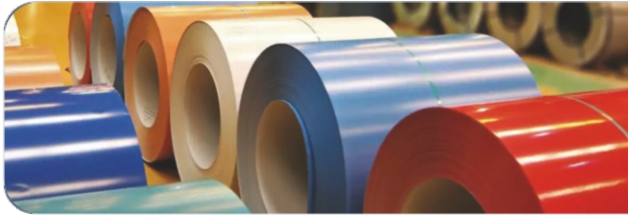

Automated Plants

## Coating Resins

### HEAT RESISTANT COATING

- Silicone polyester resin
- Silicone epoxy resin

### COIL COATING

- Oil free polyester resin
- Silicone - modified polyester resin

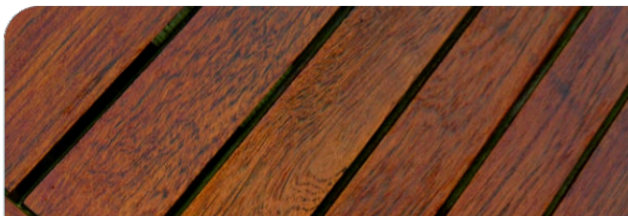

### GLASS FLAKE COATING

- Isophthalic resin
- Vinyl ester resin

### UV CURABLE COATING

- Epoxy acrylate
- Urethane acrylate
- Polyester Acrylate
- Acrylic acrylate

### WOOD COATING

- Unsaturated polyester resin
- Polyester polyol
- Alkyd polyol
- UV-curable epoxy acrylate
- UV-curable polyester acrylate
- Acrylic polyol

### AUTOMOTIVE PUTTY

- Unsaturated polyester-based putty resin
- DCPD-based putty resin
- Acrylic polyol

### METAL PACKAGING COATING

- Saturated polyester resin
- Alkyd - modified polyester resin

*Innovation Focused*

*Commitment towards sustainability*

*Bio-based sustainable products*

# Composite Resins

## UNSATURATED POLYESTER RESIN

- Orthophthalic resin
- Terephthalic resin
- Isophthalic resin

## VINYL ESTER RESIN

- Bisphenol A VER
- Novolac-based VER
- Brominated VER
- High HDT VER

## FIRE-RETARDANT RESINS

- HL2/HL3 resins
- Halogenated FR resins
- Non-halogenated FR resins
- UL V<sub>0</sub>/V<sub>1</sub>
- ASTM E84

## GEL COATS

- Isophthalic / Orthophthalic
- ISO-NPG / Vinyl
- Proprietary
- HL2/HL3

## SMC/DMC RESINS

- Orthophthalic
- Isophthalic
- Iso-NPG
- Pure maleic
- Terephthalic

## LOW PROFILE ADDITIVES

- Polystyrene
- PMMA
- Saturated polyester
- Polyvinyl acetate
- Pigment carrier resins

## OPTICAL FIBER RESINS

- Thermal curable
- UV curable

# Our Global Presence

Global Presence in 4 continents

15+ industries served

India's largest Specialty Polyester Resin Exporter

Commitment towards sustainability

Government recognized STAR Export House

500+ happy customer base

## CREST DELIVERS CONSISTENT, RELIABLE & HIGH-PERFORMANCE RESIN SOLUTIONS

Consistent Quality

R&D Capabilities

Your Reliable Partner

One-stop Solution

## Standards & Certifications

Crest resins comply with global quality standards

- ISO 9001, 14001, 18001, and 45001 Certified Manufacturing Facilities
- ASTM E 84
- LRS
- EN45545 R1 HL2 & HL3 Certification
- Food Grade Certification
  - USFDA 21 CFR 177:2420
  - IS 9845:1998 RA 2015
